**1. Review of the General Purpose Costing System**

**Popular Title:** Review of the General Purpose Costing System

**RIN 2140-AB14**

**Stage:** Discontinued

**Previous Stage:** NPRM served 2/4/2013; End of Comment Period 9/5/2013; SNPRM served 8/4/2016 (published in Fed. Reg. 8/10/2016); End of Comment Period 11/7/2016; Proceeding Discontinued 6/6/2019.

**Abstract:** The Board sought comment on proposed modifications to its Uniform Railroad Costing System (URCS), including elimination of a feature known as the “make-whole adjustment” and certain other related changes. After receiving comments on an NPRM, the Board issued a SNPRM, held a technical workshop, and received additional comments. Based on the comments received, the Board determined that potential refinements of URCS would benefit from additional study and analysis. As a result, and to ensure efficient docket management, the Board stated that it would not take further action in this proceeding and discontinued this docket.
